

Join us as an Academy Committee Member and help us make a difference to children's education

If you are interested in making a positive impact on our school community and pupils, why not volunteer as an Academy Committee Member?

Academy Committee Members are vital to the effectiveness of our school. You would work closely with our School Leadership Team to help set our vision and strategic direction, monitor and support teaching and learning, and challenge our school to continuously improve.

Academy Committee Members form our Academy Committee, which meets six times a year. You will also be invited to our all-staff conference in January and leadership conference in July.

Being an Academy Committee Member is a unique experience to work with our wonderful school team and students, give something back to the community and further progress your own skills.

You do not need to have education experience, but corporate or professional experience would be beneficial.

If you are interested, please contact the school. We look forward to hearing from you.
